SCHEDULE EARLY

Business Spotlight filming dates fill quickly throughout the year.

To ensure we can reserve your preferred filming date, please contact the Chamber within your first three (3) months of membership to schedule your Business Spotlight - Branding Video.

While filming should be scheduled within your first three months, the benefit must be redeemed within your first year of Chamber membership. Any unused benefit expires at the end of your first membership year and does not carry over.

YOUR BUSINESS SPOTLIGHT SUCCESS CHECKLIST

1 SCHEDULE YOUR FILMING

- Contact the Chamber within the first three months of membership.
- Filming takes place the day of your Rope Cutting, with 1½ hours allotted beforehand.
- Filming must be completed within your first membership year.

2 COMPLETE YOUR QUESTIONNAIRE

- Fill out and submit the Business Spotlight Questionnaire using the link included with the email this guide came with — it covers your business info, social media contact, giveaway details, and who's appearing on camera, all in one place.
- No need to email this information separately — the questionnaire is the only submission we need before filming.

3 PREPARE FOR FILMING

- Clean and organize your business.
- Wear branded apparel or professional attire.
- Have signature products or services ready.
- We will create a script from the answers from the questionnaire.
- Filming is the day of your Rope Cutting — 1½ hours are allotted beforehand.

4 CHOOSE YOUR GIVEAWAY

- Giveaway is optional, but will help with post engagement.
- If you offer one, select a meaningful prize that represents your business.
- Prize, value, and any restrictions are captured in your questionnaire (Step 2) — no separate submission needed.

5 AFTER YOUR VIDEO IS POSTED

- Accept the Instagram Collaboration Request promptly.
- Share the Reel on your social media.
- Invite customers, friends, and family to your Rope Cutting.

YOUR MARKETING STRATEGY

Your Business Spotlight - Branding Video is more than just a video - it is a professional marketing asset designed to introduce your business to the community, build brand awareness, and increase visibility.

Depending on your marketing goals, your Business Spotlight may be released before or after your Rope Cutting to maximize exposure and engagement. Some businesses share it before their celebration to build excitement and encourage attendance, while others release it afterward to continue introducing their business to the community and extend the momentum of their grand opening.

The Fulshear Regional Chamber FOR Commerce and Medici Social will work with you to determine the timing that best supports your marketing goals and provides the greatest value and exposure for your business. It will be released within 4 weeks of filming, unless our posting schedule is already booked — then it may be delayed.

VIDEO DETAILS & DELIVERY

- Approximately 40-50 seconds long
- Filmed vertically in a 9:16 Reel format
- Professionally filmed and edited in high-resolution quality
- Optimized for Instagram, Facebook, TikTok, and other social platforms
- Provided as one final, fully edited branded video
- Suitable for use on your website and other marketing platforms

The final video will be delivered as-is. Additional edits, alternate versions, horizontal formats, or individual raw video clips are not included.

COMPLETE YOUR QUESTIONNAIRE

Before filming, complete the Business Spotlight Questionnaire using the link included with the email this guide came with. It covers everything we need — business info, social & giveaway contacts, and filming names — in a single submission, so there's nothing to fill out or email twice.
